DoubleShot "Bolt-Thru" Socket Wrench

- Designed specifically for pipe-line, utility, maintenance and construction workers.
- Florescent orange sockets make the wrenches harder to lose, easier to find.
- Based on Lowell's field-proven ratchet technology.
- Switch located in head reverses action safely and conveniently.
- Heavy duty stamped, riveted handle; sockets made of rugged cast metal. Both are coated with electrostatic epoxy paint for durability and easy cleaning.
- Nine socket size combinations for heavy hex nuts, standard hex nuts, metric hex nuts and hydrant repair.
- Bolt-Thru design lets bolts pass entirely through sockets and handle head so nuts can be secured on any threaded length.
- Each wrench is 12 inches long and weighs two pounds.
- Vinyl grip makes working comfortable and secure.
- Guaranteed against defects in material and workmanship for one year from delivery date.
- Made in USA.

Weight Each- 2-1/4 Lbs. Each

Double Shot wrenches provide greater flexibility in dealing with the most common nut sizes that fasten mechanical joints, repair clamps, sleeves, service saddles, tapping sleeves, flange bolts, couplings and hydrants.

ORDERING INFORMATION

MODEL	HEX SIZE	APPLICATION
DS-1	1-1/4" X 1-1/16"	Mechanical joints and restraints, repair clamps & service saddles
DS-2	1-1/8" X 15/16"	Flange bolts, friction clamps & hydrant break flange and bonnet bolts
DS-3	15/16" X 3/4"	Hydrant break flange and bonnet bolts, friction clamps & service saddles
DS-4	3/4" X 7/8"	Extended range couplings below 14"
DS-5	19 mm X 22 mm	Extended range couplings below 14"
DS-6	1-1/8" X 1-1/16"	Gas and water industry couplings, repair clamps, service saddles & flange bolts
DS-7	17 mm X 19 mm	Mechanical joints and restraints, repair clamps & service saddles (international)
DS-8	22 mm X 24 mm	Mechanical joints and restraints, repair clamps & service saddles (international)
DS-9	24 mm X 30 mm	Mechanical joints and restraints, repair clamps & service saddles (international)
DS-10	1-1/4" X 1-1/8"	Mechanical joints and restraints, repair clamps & service saddles
